Profession	Projects Officer St Johns
Describe your actual occupation as precisely as possible	I manage projects for several teams of St John. The two key roles I undertake are project management and team facilitation.
What would you like to see/visit on your professional days?	<ol style="list-style-type: none"> 1. Project Management – specifically in a health related agency. I would like to see what skills and tools a project manager uses so I can see if there is anything I can adopt/learn from them. 2. Volunteer Management – I'd like to experience a not-for-profit and look how they manage volunteers so that I can gain more knowledge in best practice models for volunteer management. 3. St John in the Netherlands (Team Facilitation – this is broad but my particular interest is in developing my skills in running workshops where clear outcomes are required. 5. Government – I'd like to see how government departments liaise with the community/not-for-profit sector in the Netherlands, in what ways do they work together?, Under what models?
Are there any specific companies/institutions / organizations you would like to visit?	
Hobbies	Sewing, Crafts, Food, History
Personal	Smoker? NO Vegetarian?: NO Would you prefer to stay in a family of smokers? NO Gluten Intolerant – I take medication to manage my dietary problems (such as prescription Losec)
